July 29, 1949 - August 25, 2020

### Obituary for Andrea (Andi) Beach

Andrea was a loving wife, mother, grandmother, aunt, sister, and friend to so many. On Tuesday, August 25, 2020, we lost a very special person, Andrea Beach. Born July 29, 1949, in Red Bluff to Andrew and Adalene Garner and raised in Chico, CA.

When Andrea was just 14 years old she met the love of her life, David Beach, the boy next door. They dated for three years and then married. For 54 wonderful years, they had many traveling adventures and were two souls living as one. Andrea had a strong Catholic faith and was a regular attendant of the Sunday Mass at St John's in Chico. Andrea worked at California State University, Chico for 28 years.

Andrea was survived by her husband David, daughter Angela (Filemon) Corral, grandchild Andrew (Pa) Corral, by sister Debi (Tony) Soares, brother Vernon (Linda) James, and many beloved nieces and nephews.

There will be a private family service held in her honor.

Please no flowers but you can donate to the Enloe Cancer Center if you would like.

“ Andi was a jewel as secretary at Chapman School. She was always busy and was kind to all - especially the kids. Her ways were appreciated by me and I have often thought of her. I know she will be missed. Barbara Lutz

“ Andi (who I always called Aunt Andi) made my favorite meal for my birthday every year. She and David taped every musical on TV so I'd have something to watch when I came over. She called me “Laura Mary Rascal-Face” and insisted on seeing my report card every semester. She had the best laugh and was enthusiastic about life and pursuing opportunities to find wonder, whether it was up in the sky in a hot air balloon or reading a sci-fi/fantasy book. She was tough as nails, working her way up to a high administrative position at CSUC, but she always prioritized family, friends, and relationships over work. She was the family member that you chose to be your family, even if there wasn't a blood tie. She loved fiercely and chose laughter and joy every day. She was welcoming to the newcomer, generous with her time and treasure. She valued common sense and kindness. She will be so, so missed. Love you always, Aunt Andi.

“ Andi was a most wonderful colleague at Chico State. Her happy, cheerful demeanor was always so welcome, and she just made you feel happier to be with her. I am saddened.

“ David & Angela I'm so sorry to hear of Andi's passing far too soon. Andi and I started at CSUC about the same time and always had a sweet relationship. She was always a ray of happiness and such a hard worker. May God bless you all and give you strength and comfort during this difficult journey. With love, Doreen Mendes

“ David, Angela and family - Andi had a huge impact on my life as my mentor, boss and friend. She always offered her support, a listening ear or even one of her fantastic smiles whenever I needed it. She was my constant cheerleader. I always knew she had my back. "Live, Love and Laugh"...I recall these three words being special to her and it was how she lived her life...to the fullest and, wow, did she love you with her heart!! She will be truly missed by many and leaves a huge hole in my heart. Love to you all as you mourn and heal. Rest in peace, Andi.

“ I remember when David and Dan played on the same softball team. All the wives and our kids sat on the sidelines to watch and get caught up on life. Aunt Andrea will be missed. She had the biggest heart.
