July 5, 1962 - July 19, 2019

Brooke Lynn Steyskal

7/5/1962 - 7/19/2019

Our beloved Brooke passed unexpectedly at the age of 57 at her home in Chico, CA. She is survived by her mother, Betty Musselman, her father, Ken Steyskal, sister Shellie Estes and brothers, Don King and Keith King. She loved her several nieces and nephews and great-nieces and nephews.

Brooke grew up on ranches in Tulelake, CA and Klamath Falls, OR. Which started her love for horses and nature. She also had a passion for scuba diving, Harleys, kayaking, camping and fishing.

She was part of the Sheriff's posse search and rescue.

Brooke exuded love which is why she had so many close friendships.

She graduated Chico State University with her Masters Degree in social work with which she worked with emotionally disturbed children at Oroville and Chico schools as a special education therapist. She was able to retire at the age of 56 and we were all so proud of her. She was excited to be able to start to help the survivors of the Camp Fire this coming September school year.

There will be a celebration of life in Brooke's honor where she was a longtime member at the Eagles Aerie 218, 1940 Mulberry street, Chico, ca. At 1:00 on August 17th

Please remember Brooke with a smile and a tight hug.

“ Brook and I were roommates back in College. She taught me so much about being a good person. Things I carry out to this day. She also taught me to ride a motorcycle even after I crashed it the moment I got on hers. She didn't mind because that's the type of person she was. She was a kind, loving and joyful soul. She will be sorely missed. This world needs more people like her right now. So very sad. Condolences to her family.

“ Brooke and I grew up together in Tulelake. I knew her as Danetta. We put many miles on our horses Misty and Bucko. Summer or winter didnt matter to us, we rode and had a great time. They are treasured memories. I hadn't seen her in years, but considered her one of my dearest true friend.

“ I grew up with Denita in our very early years. Her favorite song back then was "one tin soldier," which she and I would sing together in the back of my mother's pick up truck. We would skip class and grab her motorcycles and take turns riding in the wind. We loved Taco Bell during the lunch hours when we could sneak off the school property to enjoy a great meal. We camped and swam in the summer.

I remember she hated dresses but had to wear them on specific days. She still managed a way to wear her sneakers, despite the ruffled dresses she had to wear on those days.

Denita was filled with laughter, and I've often wondered where she had gone. I'm sorry to hear of her departure, but I'm confident that she's riding in the wind through the heavens, doing what she's always loved.

“ We are heartbroken to hear of Brooke's passing...we always looked forward to seeing her during the Annual Sheriff's Posse here in Butte Meadows. Brooke had a smile that would light up the room each time she walked through our door at the Bambi Inn. She was a kind and fun-loving woman and she will be dearly missed...Rest In Peace Brooke
