She is in Heaven now playing with the Angels now..May God continue to Bless her.....

“ Joyce was my dearest friend for almost 50 years. We were neighbors for ten years and then no matter where I moved, Joyce would visit, We stayed close and spoke often and I will miss her everyday. She had the ability to forgive when she was wronged and loved her family no matter what. Her life was never smooth sailing but she put on a happy face and made those who loved her feel loved. I am sure she is God's favorite angel.

“ I met Joyce back in 1990 at a Cowboy bar in Supulvda, Ca...We danced and hit it off real well and before you knew it she had moved into my front bedroom! I adored her right from the beginning...We shared a lot of great times together....She was a sweet lady and I loved her very much...She suffered a devastating stroke two years ago and it led to her demise.. She had lost her ability to speak and walk...She was cremated and her remains are now with me in my home.....God Bless my Lady Joyce in Heaven...

“ So many memories, but 1 that stands out is me giving Joyce a shower on her front porch! Yes it was so fun and she was such a good sport about it all and the water was cold so she and I were laughing and just being silly about the sunshade that blocked the view from anyone seeing us shower n act like silly little girls again...Joyce had a way about her that brought out the little girl in all us women! And last but not least she had a very sexy smile that could make anyone melt and My Admiration and respect n love go to her n her family and may God Bless you Julie for everything you have done and are because of your Mothers Love . RIP JOYCE LOVE N RESPECT TERRI CHAFFEE your friend
