

Teresita P. Latour

June 2, 1936 - October 26, 2019

It is with great sadness that the family of Teresita Pangelinan Latour, aged 83, a long-time resident of Chico, passed away from natural causes on Saturday, October 26, 2019. She was born on June 2, 1936 on the island of Guam, a territory of the United States to Maria Castro and Juan Pangelinan.

Teresita is survived by her son, Marcus Ira Hinsdale Latour, who resides in Seattle, Washington with his wife Jacqueline. Teresita will also be remembered by her nieces and nephews, Debbie, Anne, Norma, Ritchie, John, Robert, Eddie (Add others) and her dog Coconut.

Teresita attended the Academy of our Lady, a Catholic school on the island, where she was the valedictorian of her graduating class. Eager to explore the world, she moved to California, settling in San Francisco, where she met her future husband, Ira Hinsdale Latour, a professor at San Francisco State. Ira courted Teresita over a period of years and, eventually, invited her to join him in Germany, where he had relocated for work. After living in Germany, Teresita and Ira wed in Zurich, Switzerland. Teresita and Ira moved to Chico in 1969 when Ira was offered a teaching position at Chico State.

After settling in Chico, Teresita completed her California Real Estate license and went on to become a successful Real Estate Broker, focusing on Mobile Home Parks across northern California. Teresita, a long time member of the Chico Association of Realtors, was known locally by friends and colleagues as "Terri."

Teresita embraced life with with an infectious sense of fun and adventure. She loved exploring exotic foods, the arts, dancing and entertaining. She was also the biggest fan of her son, always making time to attend his soccer and football games. Committed to family, a loving mother, she'll be profoundly missed.

Services will be held at Glen Memorial Oaks on Friday, November 13 at 1pm. Members of the community who would like to pay their respects are encouraged to attend.

“ I remember long ago when we met in a class; you were so enthusiastic about learning. I'll miss you and still missing Ira, too. He was a phenomenal professor and photographer. I know you loved him so, so much. Thank you for the memories. Condolences to your son.
