“ I am sorry I only heard about this. Vickie and I were neighbors and friends. I loved her independent spirit, her "think for herself" attitude, and her devotion to her kids. I had no idea of the amazing successes she experienced after I moved away. Only spoke with her once when I knew I was moving back to Chico. Was so looking forward to reconnecting and hearing more about the wonderful path she was on. I am devastated to hear of our loss. Fond memories, Jonni D.

“ While I have known Victoria less than a year, she truly touched my life with her depth of spirit and enthusiasm for living. I was fortunate to meet her through her OLLI class on Celtic myth and legend - she brought an enlightened perspective to much of what I learned through her teaching.

I cannot imagine how difficult this loss must be for her family and friends. My heart goes out to all of you who were blessed to be part of Victoria's life. I will miss getting to know her better but am grateful she graced my life!

“ Howard, Ian, Amber & Family,

I am heartbroken to have lost my sweet, dear cousin. I loved her very much. She was such an eneregetic soul who's contagious laugh I shall never forget. I will miss her greatly. I pray that God will comfort you all in the midst of this difficult time. Love to you all!
